Shreya Patha

Generative AI & AIML Developer | LLMs • NLP • Python • PostgreSQL • Data Analytics | AI Systems Builder | Ex-AIML Team Lead Intern @ UpToSkills

Hyderabad, Telangana, India

Experience

UptoSkills

7 months

Team Lead

May 2026 - Present (5 months)

Served as AIML Team Lead, overseeing internship workflows, task coordination, attendance tracking, and submission management across multiple teams. Worked closely with AI/ML, Python, and analytics interns to streamline execution, maintain structured communication, and improve overall workflow efficiency. Contributed to technical coordination and operational management while ensuring timely task delivery and organized team collaboration.

aiml

March 2026 - April 2026 (2 months)

Worked on AI-driven applications involving chatbot workflows, LLM integrations, and backend automation systems, including the development of SkillNova, a RAG-based chatbot designed for real-time intern support and document-based query handling. Contributed to API integrations, prompt workflows, data processing, and response optimization across practical AI use cases while collaborating with AI/ML and analytics teams on workflow coordination, technical execution, and system refinement.

Education

Tkr college of engineering and technology

Bachelor of Technology - BTech, Computer Science in artificial intelligence and machine learning · (November 2022 - November 2026)

ABV junior college

Intermediate , MPC · (2020 - 2022)
